RE: Scouting Leader Basic Training in Chinese

#### “EVERY SCOUT DESERVES A TRAINED ADULT”

Santa Clara County Council (SCCC) cordially invites you to the **2011 Basic Scout Leader Training (童軍幹部訓練)** in Chinese. The course consists of an *SM/ASM specific* course and an *Outdoor Leader Skills (OLS)* course. Upon completion of both courses, you will be certified as a “Trained” adult leader, thereby earning a “Trained” patch. For Cub leaders, we offer a *Cub Leader Specific (CLS)* course to tailor your needs.

Note: There are three pre-required online courses (approximately 60 minutes each) that you need to take before registering. These are “This is Scouting”, “Fast Start” and “Youth Protection”. You will receive a certificate upon completion of each course.

To aid participants in a better understanding of Scouting Aims and Methods, these courses will be conducted mainly in Mandarin Chinese. The courses follow the BSA training syllabus very closely, in spite of its Chinese focus. This course sequence is part of the Council’s scheduled courses. All Cub/Boy Scout adult leaders are welcome. Register now.
